3. *You have made an excellent start on your Pamphlet.*

This activity is a great way to learn more about your chosen region.

Please continue to work on your pamphlet as part of your homework for this week.

Remember you must include information under these headings:

- IL CLIMA
- LUOGHI FAMOSI
- I CIBI TRADIZIONALI
- LA POPOLAZIONE
- PUNTI D'INTERESSI (la moda, lo sport ecc)
- Don't forget your bibliography!

Remember to use lots of beautiful pictures to make the readers of your pamphlet want to visit the region!

B: Don't forget you have access to both Mathletics and Spelladrome to continue to practice your Maths and Spelling skills in the holidays. See your teacher for you new usernames and passwords.

C. Grade 6 Quiz:

It is now your turn to create a Fun Quiz question about the 2016 Grade 6 Team. Remember it needs to be something that you know the answer to and you can test others in your class on. Also it needs to be appropriate! Good luck!
